\*NAT provides composting program services to the Village of Luckey

NOTE: The Wood County Health Department no longer licenses solid waste haulers, so the SWMD does not have a complete listing of available service providers. Provider information was obtained from the district's previous SWMD Plan and hauler accounts with the Wood County Landfill. If you are a service provider and would like to be added to this list, please contact the Wood County Solid Waste Management District at 419-354-9297.
